Hey, Big One listeners. In this episode you heard about how Jacob and Rachel prepared for the earthquake. You can do the same, here are a few things you can do around your home.

**TIPS**

- Brace or replace masonry chimneys
- Secure ceiling fans and hanging light fixtures
- Brace water heaters and ensure gas models have flexible connections
- Securely fasten or relocate heavy pictures and mirrors over beds and furniture
- Strap bookcases and shelves to prevent tipping
- Ensure that gas appliances have flexible connections
- Secure cabinets to wall studs; use latches or velcro to keep cabinet doors from flying open during an earthquake
- Know how and when to shut off utilities
